**A PROCLAMATION.**  
EXECUTIVE DEPARTMENT,  
STATE OF MISSISSIPPI,  
Jackson, Miss., Dec. 9, 1867.

WHEREAS, Communications have been received at this office from gentlemen of high official and social position in different portions of the State, expressing serious apprehensions that combinations and conspiracies are being formed among the blacks, "to seize the lands and plantations," "to prevent and hoping that Congress will arrange a plan of division and distribution," "but unless this is done by January next, they will proceed to help themselves, and are determined to go to war, and are confident that they will be victors in any conflict with the whites," and furnish names of persons and places; and

WHEREAS, similar communications have been received at Headquarters 4th Military District and referred to me for my action, and the co-operation of the civil authorities of the State, with the United States Military, in suppressing violence and maintaining order and peace;

Now, therefore, I, BENJ. G. HUMPHREYS, Governor of Mississippi, do issue this my proclamation, admonishing the black race, that if any such hopes or expectations, are entertained, you have been grossly deceived, and if any such combinations or conspiracies, have been formed, to carry out effect such purposes, by lawless violence, I now warn you that you cannot succeed.

What is not known of your plans and conspiracies, will be discovered and anticipated, and the first outbreak against the quiet and peace of society, that assumes the form of insurrection, will signalize the destruction of your cherished hopes and the ruin of your race.

That you may not later be deceived, by the restless spirits—white or black—that lure you to your ruin, I publish for your information, the following endorsements of Gen. E. O. C. ORD, made on the communications above referred to, viz:

HEADQUARTERS 4TH MILITARY DISTRICT,  
(Office of Civil Affairs),  
Holly Springs, Miss., Nov. 21st, 1867.  
"Respectfully referred to Brevt Maj. Gen. Gillen, who will send an officer immediately to learn what white men have been advising the freedmen to take arms, seize lands, or any other illegal act. The leading Freedmen will be sent for and informed that there is no intention on the part of Congress to take land from masters of it, for the benefit of former slaves—that Congress has plenty of lands now to give freedmen in Mississippi, and they can go there and settle if they wish, and if they do not wish to be put down by arms, (that is by killing if necessary) the outlawry should be put on by force or violence, the property of others."

"Gen. Gillen has directions to arrest promptly all incendiaries, regardless of party or position; and any information from Sheriff, Boards of Police, Judges or other officers on this subject, accompanied with the names of persons inciting freedmen to take arms, or to do any other illegal act, will be promptly acted upon."

"If Gov. Humphreys deems this matter of sufficient importance, he will publish a proclamation to the citizens, and all others concerned—that the leading Freedmen will be sent for and informed that there is no intention on the part of Congress to take land from masters of it, for the benefit of former slaves—that Congress has plenty of lands now to give freedmen in Mississippi, and they can go there and settle if they wish, and if they do not wish to be put down by arms, (that is by killing if necessary) the outlawry should be put on by force or violence, the property of others."

**Infant Soothing Syrup!**  
WE HAVE, by purchase of the original recipe, become sole proprietors of this Celebrated Medicine. Only ask you give a trial, with an assurance that you will in future discard all those nauseous and destructive stuffs, such as Batey's Drops, Godfrey's Cordial, Dewee's Mixture, &c., combinations of a past and anti-progressive age, when it was thought that the more disgusting the mixture the better the medicine.  
Use in the future only SEABROOK'S, a combination quite up with the advancement of the age. Pleasant to take, harmless in its action, efficient and reliable in all cases. Invaluable in the following diseases:  
*Summer Complaint, Irregularities of the Bowels, Restiveness, Teething, &c.*  
Gives health to the child and rest to the mother.  
We could furnish any quantity of certificates bearing evidence of its superior qualities, but prefer that our medicine should stand on its own merits, which it will do upon trial.

**HURLEY'S SARSAPARILLA.**  
OF all the remedies that have been discovered during the present age for the "thousand ills that flesh is heir to," none equal this wonderful preparation. Only ten years have elapsed since the discoverer (who spent a decade in studying experiments, and perfecting it), first introduced it to the public, and it is already recognized by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have kindred. All other compounds or syrups of this root have hitherto failed to command the sanction of the faculty, because on being tested, they have been found to contain noxious ingredients, which neutralize the root effects of the Sarsaparilla, and oftentimes injure the health of the patient. It is not so with Hurley's preparation. This is the pure and genuine extract of the root, and will, on trial, be found to effect a certain and perfect cure of the following complaints and diseases:  
*Affections of the Bones, Habitual Constiveness, Debility, Diseases of the Kidneys, Dyspepsia, Erysipelas, Female Irregularities, Fistula, all Skin Diseases, Liver Complaint, Indigestion, Piles, Pulmonary Diseases, Syphilis, Scrofula, or King's Evil.*  
For the rapid and permanent cure of the above diseases, this preparation stands unrivaled. A cure is GUARANTEED IN EVERY CASE where it is used according to directions.
